Subject: A-NATION TV petition for exemption from the Closed Caption Requirement

Commission's Secretary
Office of the Secretary, Federal Communications Commission
Attention: CGB Room 3-B431
445 12th Street, SW
Washington, DC 20554

To Commission's Secretary:

A-Nation TV is entertainment news with a touch of Asian spice. Red carpet events, box office release, and interviews with the top celebrities can be seen on A-Nation TV.

We would like to petition for exemption of Closed Caption Requirement based on undue burden. Currently, all funding for the programming is being provided by personal funds that are very limited. Sponsorship and advertisement are currently being pursued, but currently do not have any. With the funds available to us we will barely have enough to sustain to end of 2007, if that. Currently, every bit of funding is tight and every dollar counts. Until sponsorship or advertisement covers our cost, we would like to petition for the closed caption exemption based on undue burden. Thank you.

Sincerely,
